Reimagine

- The electrification of both Land Rover and Jaguar brands
- Achieve net zero carbon emissions across our supply chain, products and operations by 2039
- Sustainability is a central theme driving Jaguar Land Rover's Reimagine vision
- Multi-year partnership with NVIDIA, the leader in artificial intelligence (AI) and computing

“

Our vision is clear... to become the creator of the world's most desirable luxury vehicles and services for the most discerning of customers.
